There is a time, a place and the appropriate use of Smartphones! When in class, your Smartphone should NOT be used for any reason, except when your teacher allows you to use it for specific academic activities in class! (See your *Student Handbook* for details!)

On your phone, in class, it is STRICTLY forbidden . . .

- to engage in social media (i.e. Snapchat, etc.)!
- to audio/video record or take pictures of others!
